

# McLEISH ESTATE

29<sup>th</sup> of January 2024

## Important Update regarding freight costs.

Dear Wine Partners,

At McLeish Estate Wines, our commitment to delivering exceptional wine has always been our top priority and we appreciate your continued support as a valued member of our Wine Partners & "Triple P" Clubs.

We wanted to inform you of an important update regarding our shipping processes. Due to recent increases in the overall cost of production, including, labour, materials and transportation, we find it necessary to adjust our freight charges. Since Bob and Maryanne McLeish established the Wine Partners Club in 2005 freight has remained at zero (\$0). While we strive to minimize any impact on our valued Wine Partners, we must make this adjustment to ensure the sustainability of our operations and the continued production of our premium wines.

**Freight Cost Adjustment Details:** Starting February 1<sup>st</sup> 2024, there will be a conservative charge of \$10 (\$1.66/bottle) per members ½ dozen case and \$14 (\$1.16/bottle) per members dozen case of Wine Partners Pack.

This adjustment reflects the rising costs associated with transportation of our wines to your doorstep.

### What this means for you:

- The freight cost is a minor price as compared to a non – member rate.
- The adjustment will enable us to maintain the high standards of quality you've come to expect from McLeish Estate Wines.

Your support has been instrumental in our growth as a family winery and we are truly grateful for the opportunity to share our passion for winemaking with you. As we navigate these changes, please be assured that we remain dedicated to delivering exceptional wines and an unparalleled wine club experience.

If you are local to us, Sydney based or visiting please consider making a trip to McLeish Estate as part of your holiday or getaway plans. We have a beautifully appointed members area where you are welcome to bring four (4) additional guests to enjoy a complimentary cheese plate and tasting our current and Reserve wines side by side. You can select your club pack on your visit and not pay postage.

Should you have any questions or concerns about this adjustment, please feel free to reach out to our Wine Club Manager Caroline O'Flynn or Jessica McLeish ([info@mcleishestatewines.com.au](mailto:info@mcleishestatewines.com.au) or (02) 4998 7754).

We greatly appreciate your understanding and look forward to continuing to share our remarkable wines with you.

Cheers to the Wine

Bob, Maryanne & Jessica and the McLeish team.
